

**CAT MOUNTAIN VILLAS HOMEOWNERS ASSOCIATION:
CONSTRUCTION RULES**

Please comply with the following during construction at your residence:

- 1. Construction activities cannot start earlier than 7:30 a.m and must cease by darkness. No construction activities on Sundays and holidays.**
- 2. Construction site must be cleaned up and kept orderly each day.**
- 3. Maintain a container on site to hold trash and debris and empty it when full. Ensure that trash and debris do not get on adjacent properties.**
- 4. Inform all construction supervisors/foremen to let their workers know to put their food wrappers/drink containers in some sort of container so that debris is not blown to adjacent properties.**
- 5. NO LOUD MUSIC at construction site.**
- 6. Obtain prior permission from adjacent homeowners if you need to trespass on their properties.**
- 7. DO NOT USE adjacent homeowner's water without prior permission.**
- 8. Ensure that workers' vehicles and construction vehicles/equipment do not leave concrete or oil stains on the street.**
- 9. Have workers park their vehicles and equipment so that driveways and mail boxes are not blocked.**
